FOR LARGER, FINER TULIPS

We heartily recommend Bone Meal for Tulips and other bulbs. It is an ideal plant food that will tend to increase productiveness and bloom size.

Prices: 25 lbs. \$1.00; 100 lbs. \$3.00 at Raleigh.

WE DO NOT pretend to offer or sell cheap bulbs—but quality considered we do promise to supply the finest stocks at a lower price than an equal grade is offered elsewhere.

Take advantage of this fact. You can buy our quality bulbs at a very little if any more than cheap bulbs will cost you.

From among hundreds of varieties the following selections have been made as being ideally suited for southern gardens. While all are imported, top sized bulbs of the finest quality, Wyatt's low prices allow you to order large quantities without extravagance.

AFTERGLOW — Deep orange suffused with salmon and edged apricot orange.

BARONNE DE LA TONNAYE — Bright rose with bluish rose margin.

BARTIGON — Fiery crimson with lighter base. A very showy tulip, excellent for forcing.

CENTENAIRE—Deep rose flushed claret.

PRINCESS ELIZABETH — Soft lilac rose with silvery edging. Large flowers.

CLARA BUTT—Soft salmon rose. One of the most popular Darwins and justly so due to its many fine qualities.

FARNCOMBE SANDERS — Fiery scarlet outside, vivid cerise inside. Fine flowers with long stems.

SIR TREVOR LAWRENCE—32". Purplish violet, inside violet maroon with white base. A very large cup-shaped flower on a tall, strong stem.

YELLOW GIANT—30". The last and finest yellow addition to the Darwins. Yellow Giant is a striking bright yellow, grows tall, and has a black base.

KING HAROLD — Deep crimson maroon. Makes a splendid show. A favorite with many tulip fanciers.

MRS. KRELAGE—Rose pink with lilac tint. Large flowers. A highly desirable tulip in every respect.

MRS. POTTER PALMER—Glowing purple. An outstanding tulip that will add to the charm of any garden.

PRIDE OF HAARLEM—Deep rose suffused with purple. Unsurpassed for grouping. Immense blooms.

PEKING—Deep golden yellow.

Plant Tulips in groups of solid colors, never in single rows. For small plantings six or twelve bulbs per group spaced 5 inches apart and in larger plantings 25 to 50 bulbs spaced 6 ins. apart will give satisfaction.

MIXED DARWINS—Many brilliantly colored, handsome varieties are included in this fine mixture of Darwin Tulips. Prices shown below.

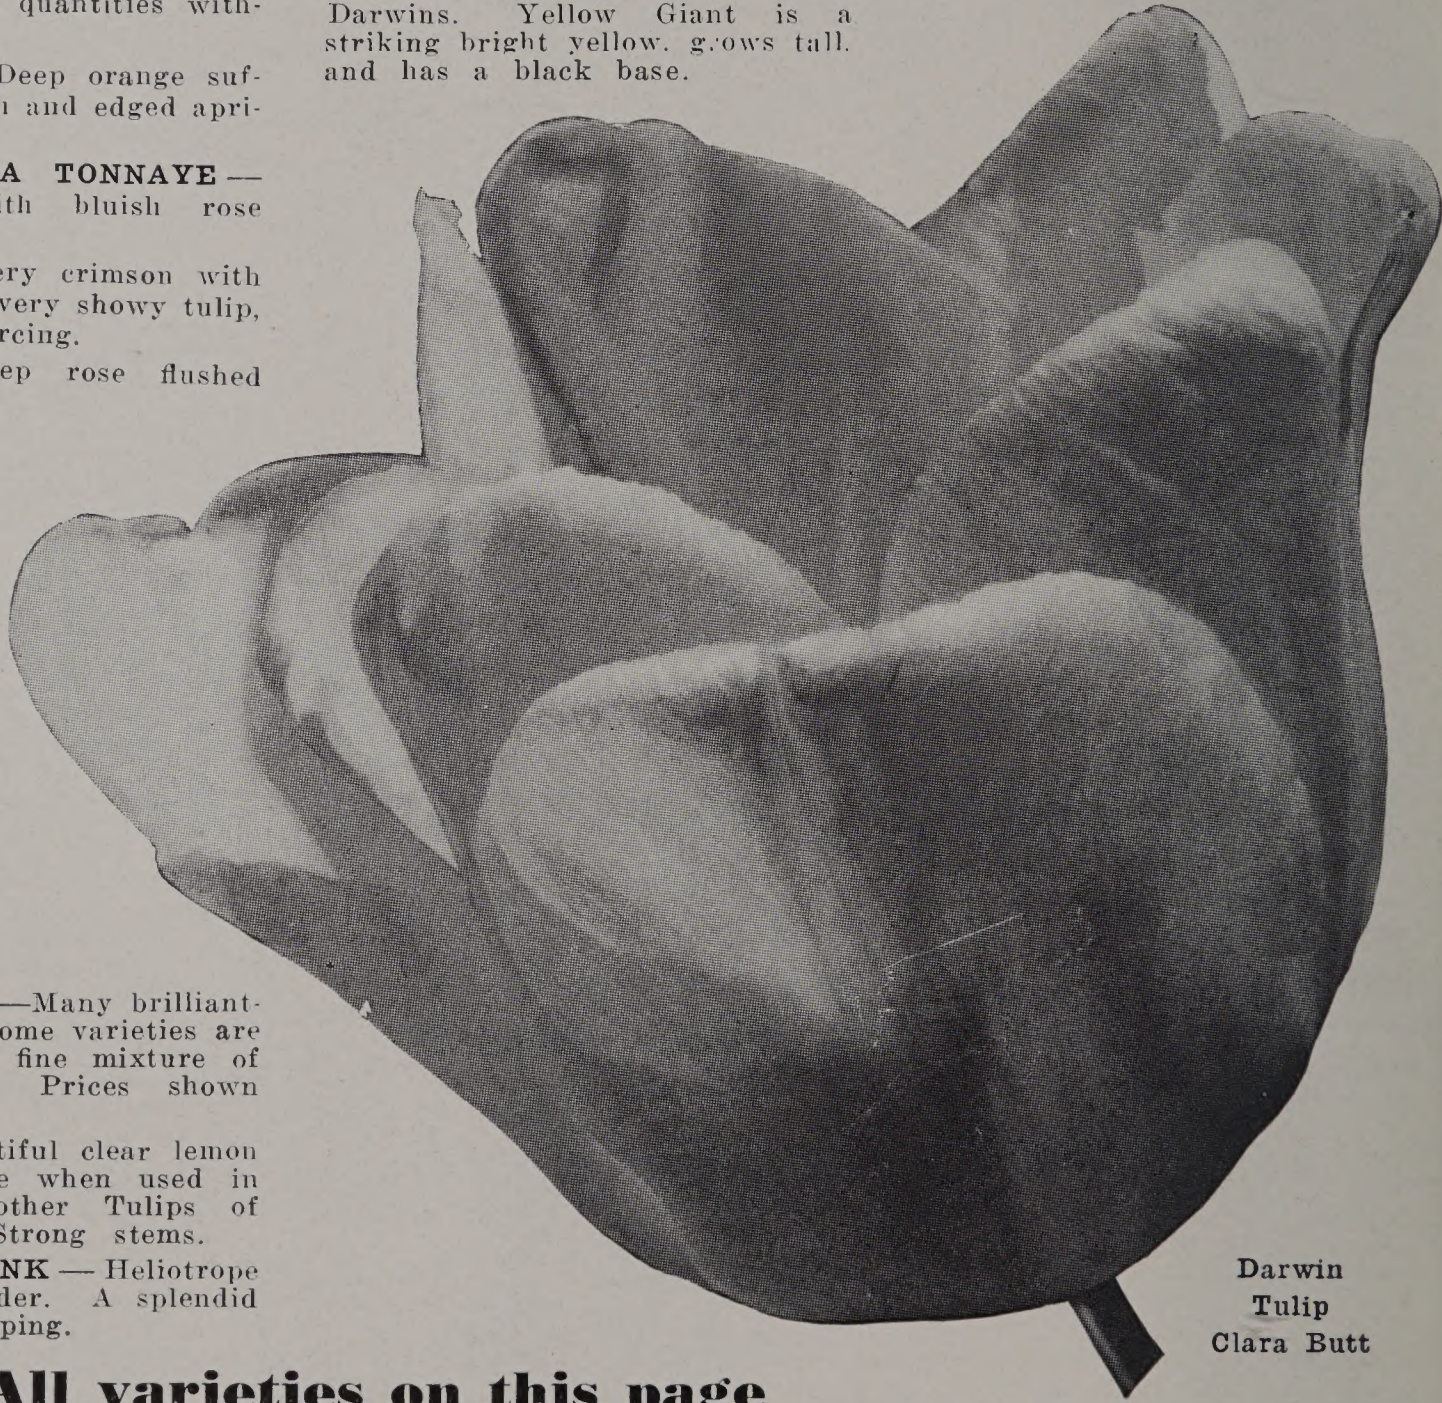

BENE EST.—Beautiful clear lemon yellow. Effective when used in groups among other Tulips of richer colors. Strong stems.

REV. H. EWBANK — Heliotrope shading to lavender. A splendid variety for grouping.

PRICES: All varieties on this page

3 bulbs 15c; 6 for 30c; 12 for 55c; 25 for \$1.00; 100 for \$3.65, postpaid.

There are the magnificent Giant Trumpets, *Incomparabilis* and *Barri* groups for splendid show; the *Poeticus*, *Barri* and *Leedsii* groups for naturalizing; the *Polyanthus*, *Poetaz* and *Giant Trumpets* for forcing; all being excellent for beds or borders, and unsurpassed for cutting.

An attractive lawn adds immeasurably to the beauty and value of your home—let us help you build your lawn.

Wyatts *Carolina* LAWN GRASS MIXTURE

F-60. WYATT'S CAROLINA mixture of lawn grass seeds is an improvement on all of the better mixtures offered heretofore, at comparative prices. Our constant experiments have taught us just what grasses are best suited to the Eastern and Southern states. The finest seeds of these varieties are carefully re-cleaned and blended into our Carolina mixture so as to give the very best results obtainable. Sow 5 lbs. per 1,000 sq. ft. Prices: lb. 45c; 5 lbs. \$2.00; 10 lbs. \$3.50; 25 lbs. \$8.00; 100 lbs. or more at 30c per lb., prepaid.

Wyatts *Colonial* LAWN GRASS MIXTURE

F-58. WYATT'S COLONIAL MIXTURE—The continued demand for a mixture of the finer leaved grasses has led us to prepare this Colonial mixture consisting largely of the best varieties of bents and fescues. While the price per pound is higher only a fraction of the quantity required of other grasses is required of the Colonial mixture, leaving very little if any difference in the total cost for seeding. Once the lawn is seeded to these grasses of vastly superior beauty, all other varieties will be discarded. Use 2 lbs. per 1,000 sq. ft. Prices: Lb. \$1.25; 2 lbs. \$2.25; 5 lbs. \$5.25; 10 lbs. \$10; 25 lbs. or more at 95c per lb., prepaid.

Wyatts *Sunny South* LAWN GRASS MIXTURE

F-59. WYATT'S SUNNY SOUTH MIXTURE—For lighter soils and soils that become extremely dry, and in locations subjected to extreme heat during the summer months Wyatt's Sunny South mixture of lawn grasses is recommended. The grass varieties used on golf greens over the entire south predominate this mixture. Only the purest stocks are used. Sow 5 lbs. per 1,000 sq. ft. Prices: Lb. 45c; 5 lbs. \$2.00; 10 lbs. \$3.50; 25 lbs. \$8.00; 100 lbs. or more at 30c per lb., prepaid.

Wyatts *Shady Nook* LAWN GRASS MIXTURE

NO. F-61. WYATT'S SHADY NOOK LAWN GRASS—A carefully blended mixture of grasses best adapted to shaded situations. Use 5 lbs. per 1,000 sq. ft. Where the soil is acid from poor drainage or drippings from trees, occasional applications of agricultural lime should be made at the rate of 5 to 6 pounds per 100 sq. ft. Prices: Lb. 45c; 5 lbs. \$2.00; 10 lbs. \$3.50; 25 lbs. \$8.00; 100 lbs. or more at 30c per lb., prepaid.

OTHER GRASSES AND CLOVER FOR LAWNS

F-40. KENTUCKY BLUE GRASS—Prefers slightly sweet soil and is best suited to semi-shade. Average soils should be limed for Kentucky Blue. In the South this variety should never be cut shorter than 2 inches. For lawn work we select and offer only the purest seeds obtainable. Prices: Lb. 45c; 5 lbs. \$2.00; 10 lbs. \$3.50; 25 lbs. \$8.00; 100 lbs. or more at 30c per lb.

F-43. ITALIAN RYE GRASS—Generally referred to as "Winter Grass" in the south where it is grown extensively for winter lawns. It will grow in any soil from early September till June. Sow 10 lbs. per 1,000 sq. ft. Prices: Lb. 25c; 5 lbs. 75c postpaid. Not prepaid, 25 lbs. \$2.75; 50 lbs. \$5.00; 100 lbs. or more at 8½c per lb.

F-49. SEASIDE BENT GRASS—Finest of the bents for lawns where it withstands drought and abuse. Use 2 lbs. seeds thoroughly mixed into 5 to 10 lbs. of dried sand, and sow evenly over each 1,000 sq. ft. of lawn area. Prices: Lb. \$1.50; 5 lbs. \$7.00, postpaid. Write for quantity prices.

F-80. WYATT'S FANCY WHITE DUTCH CLOVER—Our carefully grown Fancy White Dutch Clover is produced especially for lawns. It is extremely hardy to cold or heat and its even, dwarf habit of growth adds to its value in the lawn. Prices: Lb. 85c; 2 lbs. \$1.50; 5 lbs. \$3.50, postpaid. Write for quantity prices.

F-79. KENTISH WILD WHITE CLOVER—A dwarf spreading and unusually rugged clover especially adapted to lawns and athletic fields. Prices: Lb. \$1.75; 5 lbs. \$7.50, postpaid. Write for Quantity prices.

PEAT MOSS

For new lawns 1 bale should be thoroughly pulverized and mixed in each 300 sq. ft. of lawn area. Nothing is so beneficial to establish lawns as a bale of peat mixed with 100 pounds of Vigoro or Sheep Manure applied to each 2,000 sq. ft. 3 or 4 times each summer. Peat should also be used liberally in gardens, flower beds and borders, and as a mulch for shrubbery, because of its capacity to hold 15 times its own weight in water. Prices: Large bale (approximately 20 bus.) \$3.00. Not prepaid.

WIZARD SHEEP MANURE

Best of all natural manures, highly concentrated, free from straw and rubbish, with all weed seeds killed. It puts new life into worn out soils.

For lawns use 6 to 10 lbs. to every 100 square feet. For vegetable or flower gardens use 10 to 15 lbs. to every 100 square feet. Prices: 5 lbs. 35c; 10 lbs. 60c; 25 lbs. \$1.00; 50 lbs. \$1.50; 100 lbs. \$2.75; 500 lbs. \$13.00; Ton \$47.50. Not prepaid.

RAW BONE MEAL

Excellent for rose beds, flower beds, garden and field crops, and for top-dressing lawns. Prices: 5 lbs. 25c; 10 lbs. 50c; 25 lbs. \$1.00; 100 lbs. \$3.00; 200 lbs. \$5.75. Not prepaid.

A D C O

Converts grass clippings, weeds, leaves and other non-woody matter into valuable compost. 7½ lb. box \$1.00; 25 lb. bag (enough for 20 wheelbarrows of debris) \$2.00; 150 lb. bag \$10.00.

LAWNS—by F. F. Rockwell. For those seriously interested in this most essential part of home beautification we know of no better way to an understanding of the fundamentals of lawn construction than through this book. \$1.25, postpaid.
